

Aluminum CNC Machined Parts DWG Drawing Customized

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Certification: 1
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Application: Automotive, Aerospace, Medical, Etc.
- Quality Control: 100% Inspection Before Shipment
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Material: Aluminum, Steel, Brass, Etc.
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Tolerance: $\pm 0.01\text{mm}$
- Packaging: Standard Export Carton Or Customized
- Highlight: **Aluminum CNC Machined Parts, DWG CNC Machined Parts**

Product Description

Product Description:

CNC Machined Parts are precision parts that are processed through computer-aided manufacturing technology. They are manufactured according to the design drawings provided by the customer, and the production process is strictly controlled by computer numerical control (CNC) technology. Our CNC Machined Parts are made of aluminum, steel, brass and so on. The size is customized to meet the needs of customers. We provide professional CNC machining, turning and milling services for these parts. Standard export carton or customized packaging is available, and the minimum order quantity is one piece.

Features:

Product Name: CNC Machined Parts

Quality Control: 100% Inspection Before Shipment

Processing Method: Precision machined parts, Computerized Numerical Cutting parts, CNC machining, Turning, Milling

Lead Time: 7-15 Days

Tolerance: $\pm 0.01\text{mm}$

Application: Automotive, Aerospace, Medical, Etc.

Technical Parameters:

Parameter	Value
Processing Method	CNC Machining, Turning, Milling, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Packaging	Standard Export Carton Or Customized
Delivery Method	DHL, FedEx, UPS, Etc.
Lead Time	7-15 Days
Material	Aluminum, Steel, Brass, Etc.
Size	Customized
Application	Automotive, Aerospace, Medical, Etc.
MOQ	1 Piece
OEM/ODM	Acceptable
Product	Computer-aided manufacturing parts, Precision machined parts, Computerized Numerical Cutting parts.

Applications:

Computer-controlled machined parts, produced by Yuanwenyu with model number 1X893 and OEM, have been certified by a reliable source in Guangdong, China. With a minimum order quantity of 50 pieces and a competitive price range of \$2.35 - \$12.68/pieces, these machined parts are delivered in EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton packaging. A delivery time of 1 and payment terms of 1 are also available. Yuanwenyu has a supply ability of 1000000 Piece/Pieces per Month and can accommodate MOQ of 1 Piece. These computer-controlled machining parts are applicable to Automotive, Aerospace, Medical, Etc., and are delivered through DHL, FedEx, UPS, Etc. with a tolerance of $\pm 0.01\text{mm}$.

Customization:

Are you looking for **Computerized Numerical Cutting parts**, **Computer-Numerically-Controlled parts**, **CNC-machined components**, or **CNC-machining Parts**? Look no further than yuanwenyu. We provide quality CNC parts at competitive prices.

Our CNC parts are available with the following specifications:

Brand Name: yuanwenyu

Model Number: 1X893, OEM

Place of Origin: Guangdong, China

Certification: 1

Minimum Order Quantity: 50 pieces

Price: \$2.35 - \$12.68/pieces

Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton

Delivery Time: 1

Payment Terms: 1

Supply Ability: 1000000 Piece/Pieces per Month

Quality Control: 100% Inspection Before Shipment

Packaging: Standard Export Carton Or Customized

Delivery Method: DHL, FedEx, UPS, Etc.

Application: Automotive, Aerospace, Medical, Etc.

Tolerance: $\pm 0.01\text{mm}$

We take all necessary steps to ensure that your CNC parts are manufactured to the highest quality standards. Place your order with us today!

Support and Services:

CNC Machined Parts Technical Support and Service

We provide technical support and service for CNC machined parts. Our team of experienced engineers provides professional services to help you identify the best solution for your application.

Design and Engineering

Our engineers are skilled in designing and engineering CNC machined parts, and can create accurate 3D models for prototyping and production.

Prototyping and Production

We offer fast and accurate prototyping and production of CNC machined parts using advanced CNC equipment and software.

Inspection and Quality Control

Our quality control team inspects and tests every part to ensure that it meets your specifications and quality standards.

On-Time Delivery

We guarantee on-time delivery of your CNC machined parts to ensure that your project stays on schedule.

Packing and Shipping:

Packaging and Shipping of CNC Machined Parts:

The CNC machined parts are carefully packaged in a quality box to ensure that the parts are protected from any damage during transit.

The box is then sealed and labeled with shipping information.

The packaged parts are then shipped via a reliable shipping carrier to the designated address.

FAQ:

Q: What is CNC Machined Parts?

A: CNC Machined Parts is a kind of parts machined by CNC machine according to drawings or samples.

Q: What is the Brand Name and Model Number of CNC Machined Parts?

A: The Brand Name is yuanwenyu and the Model Number is 1X893, OEM.

Q: Where is the Place of Origin of CNC Machined Parts?

A: The Place of Origin of CNC Machined Parts is Guangdong, China.

Q: What is the Minimum Order Quantity of CNC Machined Parts?

A: The Minimum Order Quantity of CNC Machined Parts is 50 pieces.

Q: What is the Price of CNC Machined Parts?

A: The Price of CNC Machined Parts is \$2.35 - \$12.68/pieces.
