

Customized CNC Machined Parts Enhancing Efficiency for Machinery OEM

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Processing Method: CNC Machining, Turning, Milling, Etc.
- Application: Automotive, Aerospace, Medical, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- OEM/ODM: Acceptable
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Quality Control: 100% Inspection Before Shipment
- MOQ: 1 Piece
- Highlight: Customized CNC Machined Parts,
Machinery CNC Machined Parts,
CNC Machined Parts OEM

Product Description

Product Description:

Our CNC-manufactured components are made to the highest standards of quality and are designed to meet the specific needs of our clients. We use state-of-the-art machinery and cutting-edge technology to produce components that are accurate, reliable, and durable. Our Computerized machining parts are available in a wide range of sizes and can be customized to meet your exact specifications. We work closely with our clients to ensure that their parts are manufactured to the highest standards and meet their unique needs. At our facility, we take quality control seriously. We inspect every component that we produce before it is shipped to ensure that it meets our strict quality standards. Our 100% Inspection Before Shipment policy ensures that our clients receive only the highest quality components.

Our lead time for CNC Machined Parts is 7-15 days, depending on the complexity of the components and the volume of the order. We work efficiently to meet our clients' deadlines and ensure that their projects are completed on time and within budget. Whether you need CNC Machined Parts for automotive, aerospace, medical, or any other application, we have the expertise and experience to produce high-quality components that meet your exact needs. Contact us today to learn more about our services and how we can help you with your next project.

Features:

Product Name: CNC Machined Parts
OEM/ODM: Acceptable
Delivery Method: DHL, FedEx, UPS, Etc.
Size: Customized
Material: Aluminum, Steel, Brass, Etc.
MOQ: 1 Piece
CNC-manufactured components
Computerized Numerical Cutting parts
CNC-machined components

Technical Parameters:

OEM/ODM:	Acceptable
Drawing Format:	PDF, DWG, IGS, STEP, Etc.
Application:	Automotive, Aerospace, Medical, Etc.
Packaging:	Standard Export Carton Or Customized
Quality Control:	100% Inspection Before Shipment
Lead Time:	7-15 Days
Delivery Method:	DHL, FedEx, UPS, Etc.
Material:	Aluminum, Steel, Brass, Etc.
Tolerance:	±0.01mm
Processing Method:	CNC Machining, Turning, Milling, Etc.

Computer-aided machining parts, Numerically-controlled machining parts

Applications:

Our CNC machined parts are made using a variety of materials such as aluminum, steel, brass, etc. They are produced using computer-numerically-controlled machines, ensuring that they meet precise and accurate tolerances of $\pm 0.01\text{mm}$. The parts can be customized to meet your specific needs, making them ideal for a wide range of applications.

The CNC machined parts are suitable for use in various industries. They are ideal for use in the aerospace, automotive, medical, and electronics industries, among others. They can be used in the production of components for engines, aircrafts, medical equipment, and more.

Our CNC machined parts are also suitable for use in the production of prototypes. They can be used to produce prototypes of various products, including toys, gadgets, and electronic devices. The parts can be customized to meet your specific requirements, ensuring that your prototype is of the highest quality.

Our CNC machined parts are also ideal for use in the production of bespoke products. They can be used to produce custom-made components for a wide range of products, including furniture, jewelry, and more. The parts can be customized to meet your specific needs, ensuring that your product is unique and of the highest quality.

Our CNC machined parts can be delivered to you using various delivery methods, including DHL, FedEx, UPS, etc. We offer flexible payment terms, making it easy for you to purchase our products. Our minimum order quantity is 50 pieces, and our prices range from \$2.35 to \$12.68 per piece. Our packaging details include EPE foam, anti-rust paper, stretch film, plastic bag +carton, ensuring that your order is delivered to you in perfect condition.

In conclusion, our CNC machined parts are of the highest quality and suitable for use in various industries. They are ideal for use in the production of prototypes, bespoke products, and components for a wide range of products. With our flexible payment terms, delivery methods, and packaging details, you can be assured of the best service and quality products from Yuanwenyu.

Customization:

We offer a range of surface treatments for our CNC machined parts, including anodizing, plating, painting, and more, to ensure that your product has the right finish for your needs. All of our products undergo 100% inspection before shipment, ensuring the highest level of quality control.

Our minimum order quantity is 50 pieces and our prices range from \$2.35 to \$12.68 per piece, depending on the customization required. We also offer a range of packaging options, including EPE foam, anti-rust paper, stretch film, plastic bags, and cartons, to ensure that your product arrives safely and securely.

As a leading CNC machining manufacturer in Guangdong, China, we pride ourselves on our ability to provide OEM/ODM services that meet your exact specifications. We offer fast delivery times, with a supply ability of 1000000 Piece/Pieces per Month, and flexible payment terms to ensure that your project stays on track.

Choose yuanwenyu for all your CNC-machined component needs and experience the highest level of quality and customization in the industry.

Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure optimal performance and customer satisfaction. Our team of experienced technicians and engineers are available to provide assistance with installation, setup, and troubleshooting. We also offer training sessions and regular maintenance services to keep your CNC machined parts in top condition. Our commitment to quality extends beyond the initial purchase, as we provide ongoing support to assist with any issues that may arise.

Packing and Shipping:

Product Packaging:

Our CNC machined parts are carefully packaged to ensure that they arrive at your doorstep in perfect condition. Each part is individually wrapped in protective material and then placed in a sturdy cardboard box. The box is sealed with strong packing tape to prevent any damage during shipping.

Shipping:

We offer worldwide shipping for our CNC machined parts. Once your order is placed, we will process it within 1-2 business days and ship it out using a reliable courier service. You will receive a tracking number via email so you can monitor the status of your shipment.

FAQ:

Q1: What is the brand name of the CNC Machined Parts?

A1: The brand name of the CNC Machined Parts is yuanwenyu.

Q2: What is the minimum order quantity for the CNC Machined Parts?

A2: The minimum order quantity for the CNC Machined Parts is 50 pieces.

Q3: Where is the place of origin for the CNC Machined Parts?

A3: The place of origin for the CNC Machined Parts is Guangdong, China.

Q4: What is the delivery time for the CNC Machined Parts?

A4: The delivery time for the CNC Machined Parts is 1-2 weeks.

Q5: What is the price range for the CNC Machined Parts?

A5: The price range for the CNC Machined Parts is between \$2.35 - \$12.68 per piece, depending on the model number and quantity ordered.

Q6: What is the packaging details for the CNC Machined Parts?

A6: The packaging details for the CNC Machined Parts include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag +Carton.

Q7: What is the payment terms for the CNC Machined Parts?

A7: The payment terms for the CNC Machined Parts are negotiable and can be discussed with the supplier.

Q8: What is the supply ability for the CNC Machined Parts?

A8: The supply ability for the CNC Machined Parts is 1000000 Piece/Pieces per Month.
