

Precision CNC Machined Metal Components with $\pm 0.01\text{mm}$ Tolerance

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Quality Control: 100% Inspection Before Shipment
- Application: Automotive, Aerospace, Medical, Etc.
- OEM/ODM: Acceptable
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Packaging: Standard Export Carton Or Customized
- Tolerance: $\pm 0.01\text{mm}$
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Highlight: **Precision CNC Machined Metal Components, Metal CNC Machined Components, $\pm 0.01\text{mm}$ Tolerance CNC Machined Metal Components**

Product Description

Product Description:

Our CNC Machined Parts are made from a variety of materials including Aluminum, Steel, Brass, and more. We use the latest technology to ensure that our parts meet the highest standards of quality and precision. Our parts are produced with a tolerance of $\pm 0.01\text{mm}$, ensuring that they are accurate and reliable.

In addition to precision manufacturing, we offer a variety of surface treatments for our CNC Machined Parts. Our surface treatment options include Anodizing, Plating, Painting, and more. These treatments provide additional protection and durability to our parts, ensuring that they are able to withstand even the most demanding applications.

At our manufacturing facility, we have state-of-the-art equipment and a team of experienced professionals who are dedicated to producing high-quality CNC Machined Parts. We use the latest technology and techniques to ensure that our parts are produced to the highest standards of quality and precision.

If you are looking for reliable and accurate CNC Machined Parts, look no further than our company. We are committed to providing our customers with the highest quality parts and services at competitive prices. Contact us today to learn more about our CNC Machined Parts and how we can help you meet your manufacturing needs.

Features:

Product Name: CNC Machined Parts

Delivery Method: DHL, FedEx, UPS, Etc.

Surface Treatment: Anodizing, Plating, Painting, Etc.

OEM/ODM: Acceptable

Processing Method: CNC Machining, Turning, Milling, Etc.

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Our Computer-aided manufacturing parts are created with precision through CNC-machined components. We use various computer-aided machining parts such as CNC Machining, Turning, and Milling. We accept OEM/ODM orders and can work with PDF, DWG, IGS, STEP, and other drawing formats.

Technical Parameters:

Processing Method:	CNC Machining, Turning, Milling, Etc.
Lead Time:	7-15 Days
Delivery Method:	DHL, FedEx, UPS, Etc.
Material:	Aluminum, Steel, Brass, Etc.
Size:	Customized
Application:	Automotive, Aerospace, Medical, Etc.
Tolerance:	$\pm 0.01\text{mm}$
Surface Treatment:	Anodizing, Plating, Painting, Etc.
Drawing Format:	PDF, DWG, IGS, STEP, Etc.
Packaging:	Standard Export Carton Or Customized

Our CNC-manufactured components, Precision machined parts and Computerized Numerical Cutting parts are made according to your specifications and delivered to you within 7-15 days. We offer various materials such as aluminum, steel, brass, etc. Our parts are customized to your desired size and can be used in various applications such as automotive, aerospace, medical, etc. Our parts have a tolerance of $\pm 0.01\text{mm}$ and can be surface treated using processes such as anodizing, plating, painting, etc. We accept drawing formats such as PDF, DWG, IGS, STEP, etc. Our products are packaged in standard export cartons or customized packaging to meet your needs.

Applications:

Customization:

Our brand, yuanwenyu, offers Model Number 1X893 and OEM parts, made in Guangdong, China. Our products are certified to meet quality standards, and the minimum order quantity is 50 pieces. Our competitive prices range from \$2.35 - \$12.68 per piece, and our Packaging Details include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag +Carton.

Our Delivery Time is 1, and we accept various Payment Terms. We have a Supply Ability of 1000000 Piece/Pieces per Month, and we welcome OEM/ODM orders. Our Drawing Format includes PDF, DWG, IGS, STEP, and other formats.

Our products are available in Customized sizes, and we use various Processing Methods such as CNC Machining, Turning, Milling, and more. Our components are suitable for Automotive, Aerospace, Medical, and other applications.

Support and Services:

Our CNC Machined Parts product is backed by comprehensive technical support and services to ensure optimum performance and longevity. Our team of experts is available to provide assistance with product installation, operation, and maintenance. We also offer training services to equip our customers with the knowledge and skills necessary to operate our products safely and efficiently. In addition, we provide repair and replacement services to address any issues that may arise with our products. Our goal is to provide our customers with the highest level of support and service to ensure their satisfaction and success.

Packing and Shipping:

Product Packaging:

All CNC machined parts will be carefully inspected and cleaned before packaging.

Parts will be packed in sturdy cardboard boxes with ample cushioning material to prevent damage during shipment.

Each box will be clearly labeled with the part number, quantity, and any special handling instructions.

Shipping:

We offer shipping to all major destinations around the world.

Shipping options include standard ground, expedited, and overnight delivery.

We work with a variety of carriers to ensure the most cost-effective and reliable shipping method for each order.

Tracking information will be provided as soon as the order is shipped.

FAQ:

Q1: What is the brand name of these CNC machined parts?

Our CNC machined parts are made under the brand name of yuanwenyu.

Q2: What is the minimum order quantity for these parts?

The minimum order quantity for these parts is 50 pieces.

Q3: Where are these parts manufactured?

These parts are manufactured in Guangdong, China.

Q4: What is the price range for these parts?

The price range for these parts is between \$2.35 and \$12.68 per piece.

Q5: What is the delivery time for these parts?

The delivery time for these parts is determined by your location and the total quantity ordered. However, we typically have a delivery time of 1 week.
