

## Industrial Grade CNC Machined Parts IGS Drawing Format Supported OEM/ODM Services

### Our Product Introduction

#### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

#### Product Specification

- Processing Method: CNC Machining, Turning, Milling, Etc.
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- OEM/ODM: Acceptable
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Quality Control: 100% Inspection Before Shipment
- MOQ: 1 Piece
- Size: Customized
- Delivery Method: DHL, FedEx, UPS, Etc.
- Highlight: **Industrial Grade CNC Machined Parts,  
OEM CNC Machined Parts,  
IGS Drawing Format CNC Machined Parts**

### Product Description:

We offer OEM/ODM services to help you get exactly what you need for your project. With our team of experienced professionals, we can help you design and manufacture custom parts that meet your specific requirements. We understand that every project is unique, which is why we offer a wide range of surface treatments, including anodizing, plating, painting, and more. Whatever your needs, we can help you find the right solution.

Our CNC machining services use the latest technology to ensure that you get the highest-quality parts possible. Our processing methods include CNC machining, turning, milling, and more. We use only the best materials to ensure that our parts are durable, long-lasting, and reliable. Whether you need one part or thousands, we can help you get the job done right.

When it comes to packaging, we offer both standard export carton and customized options. We understand that different projects require different packaging solutions, which is why we're happy to work with you to find the right option for your needs. We take pride in our attention to detail, and we're committed to providing you with the best possible service every step of the way.

### Features:

Product Name: CNC Machined Parts

Surface Treatment: Anodizing, Plating, Painting, Etc.

Quality Control: 100% Inspection Before Shipment

Lead Time: 7-15 Days

Processing Method: CNC Machining, Turning, Milling, Etc.

Size: Customized

This product is a type of Computer-aided manufacturing parts, Computer-Numerically-Controlled parts, and CNC-manufactured components. It is designed to deliver customized parts for various applications with high precision and quality. The surface treatment options include anodizing, plating, painting, etc. All parts are subject to 100% inspection before shipment to ensure that they meet the customer's specifications. The processing methods used include CNC machining, turning, milling, etc. The lead time for this product is 7-15 days.

### Technical Parameters:

OEM/ODM	Acceptable
Delivery Method	DHL, FedEx, UPS, Etc.
Lead Time	7-15 Days
Surface Treatment	Anodizing, Plating, Painting, Etc.
Material	Aluminum, Steel, Brass, Etc.
Application	Automotive, Aerospace, Medical, Etc.
Tolerance	±0.01mm
Processing Method	CNC Machining, Turning, Milling, Etc.
Packaging	Standard Export Carton Or Customized
MOQ	1 Piece

Computer-aided machining parts, Computer-controlled machining parts, Computer-aided manufacturing parts

### Applications:

### Customization:

Our CNC machined parts, manufactured under the brand name yuanwenyu, are custom made to your exact specifications. We offer model numbers 1X893 and OEM options, with a place of origin in Guangdong, China and certification to ensure high quality standards. The minimum order quantity for our numerically-controlled machining parts is 50 pieces, with prices ranging from \$2.35 to \$12.68 per piece. Our packaging includes EPE foam, anti-rust paper, stretch film, plastic bags, and cartons, which can be customized to your liking. Our delivery time is 1 day, and we accept various payment terms to accommodate your needs. With a supply ability of 1000000 piece/pieces per month, we can fulfill your orders in a timely manner.

We specialize in computerized machining parts, including CNC machining, turning, milling, and more. Our OEM/ODM services are also available, and we accept drawing formats such as PDF, DWG, IGS, STEP, and more.

Our lead time is 7-15 days, ensuring that your order is completed within a reasonable amount of time. Contact us today to learn more about our computer-aided manufacturing parts and how we can help customize your order.

### Support and Services:

Our CNC Machined Parts are manufactured to the highest quality standards and undergo rigorous inspection before shipping to ensure customer satisfaction.

We offer technical support and services to assist with installation, maintenance, and troubleshooting of our CNC Machined Parts. Our team of experts is available to answer any questions and provide assistance to ensure optimal performance of our products.

In addition, we offer customization services to meet specific customer needs and requirements. Our experienced engineers and technicians work closely with customers to design and produce custom CNC Machined Parts that meet their unique specifications. Contact us today to learn more about our technical support, services, and customization options.

## Packing and Shipping:

### Product Packaging:

All CNC machined parts will be carefully packaged in bubble wrap to prevent any damage during shipping.  
The parts will then be placed in a sturdy cardboard box with appropriate labeling for easy identification.  
We may use additional cushioning material such as foam or packing peanuts to ensure maximum protection.

### Shipping:

We offer various shipping options including standard, expedited, and overnight delivery.  
Shipping costs will be calculated based on the weight and destination of the package.  
All packages will be shipped via trusted carriers such as UPS, FedEx, or DHL.  
Tracking information will be provided once the package has been shipped.  
Please note that international orders may be subject to import taxes and customs duties, which are the responsibility of the customer.

## FAQ:

Here are some frequently asked questions about our CNC Machined Parts:

**Q: What is the brand name of these parts?**

A: The brand name of these parts is yuanwenyu.

**Q: What are the model numbers available for these parts?**

A: The model numbers available for these parts are 1X893 and OEM.

**Q: Where are these parts manufactured?**

A: These parts are manufactured in Guangdong, China.

**Q: Are these parts certified?**

A: Yes, these parts are certified.

**Q: What is the minimum order quantity for these parts?**

A: The minimum order quantity for these parts is 50 pieces.

**Q: What is the price range for these parts?**

A: The price range for these parts is between \$2.35 and \$12.68 per piece.

**Q: How are these parts packaged?**

A: These parts are packaged with EPE foam, anti-rust paper, stretch film, plastic bag, and carton.

**Q: How long does it take to deliver these parts?**

A: The delivery time for these parts is 1 week.

**Q: What are the payment terms for these parts?**

A: The payment terms for these parts are negotiable.

**Q: What is the supply ability for these parts?**

A: The supply ability for these parts is 1,000,000 pieces per month.
