

Precision-Made CNC Machined Parts With Anodizing / Plating / Painting OEM/ODM

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Material: Aluminum, Steel, Brass, Etc.
- MOQ: 10Piece
- Delivery Method: DHL, FedEx, UPS, Etc.
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Size: Customized
- Lead Time: 7-15 Days
- OEM/ODM: Acceptable
- Highlight: **Precision-Made CNC Machined Parts ,
OEM/ODM CNC Machined Parts ,
Painting CNC Machined Parts**

Product Description

Product Description:

We offer a wide range of surface treatment options for our CNC-machined parts, including anodizing, plating, painting, and more. This ensures that our parts are not only functional but also visually appealing. We also accept various drawing formats such as PDF, DWG, IGS, STEP, and others to accommodate the needs of our customers.

Our Computerized Numerical Cutting parts are custom-made to meet the specific requirements of each customer. We understand that every project is unique, and we work closely with our customers to ensure that their needs are met. We take pride in offering high-quality products that are reliable and durable.

Our CNC-machined parts are available in a variety of sizes, and we can customize our products to fit the needs of any project. We are committed to providing our customers with the best possible service, and we strive to exceed their expectations with every order.

Features:

Product Name: CNC Machined Parts

OEM/ODM: Acceptable

Surface Treatment: Anodizing, Plating, Painting, Etc.

MOQ: 10 Piece

Tolerance: $\pm 0.01\text{mm}$

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Features: Computer-aided manufacturing parts, Precision machined parts

Technical Parameters:

Technical Parameter	Description
Application	Automotive, Aerospace, Medical, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
MOQ	10 Pieces
Packaging	Standard Export Carton Or Customized
Material	Aluminum, Steel, Brass, Etc.
Tolerance	$\pm 0.01\text{mm}$
Size	Customized
Quality Control	100% Inspection Before Shipment
OEM/ODM	Acceptable
Processing Method	CNC Machining, Turning, Milling, Etc.

Applications:

These precision machined parts are suitable for a wide range of applications, including aerospace components, automotive parts, medical equipment, and electronics. In the aerospace industry, CNC machined parts are used in aircraft components, such as landing gear, engine components, and structural parts. Similarly, in the automotive industry, numerically-controlled machining parts are used in engine components, transmission systems, and suspension systems, among others.

Another application of CNC machined parts is in the medical field. These precision machined parts are used in medical devices such as surgical instruments, implants, and prosthetics. In the electronics industry, CNC machined parts are utilized in the production of electronic components, including computer parts, mobile devices, and circuit boards.

yuanwenyu offers standard packaging consisting of EPE foam, anti-rust paper, stretch film, and plastic bags, along with customized packaging options. The delivery time for these parts is within 1 day, and payment terms are negotiable. The brand also offers an acceptable MOQ of 10 pieces and has a supply ability of 1000000 pieces per month. The quality control process involves 100% inspection before shipment, ensuring that the customers receive the highest quality products.

The manufacturing of these parts is done using advanced processing methods such as CNC machining, turning, milling, and more. The use of these methods ensures accuracy, precision, and consistency in the production of these parts. The parts are made to meet the exact specifications of the customers, making them suitable for a wide range of applications.

In conclusion, yuanwenyu's CNC machined parts are highly versatile and suitable for use in various industries and applications. The brand's commitment to quality, customization, and flexible payment and delivery options make them a preferred choice for customers worldwide.

Customization:

We offer a variety of packaging options, including EPE foam, anti-rust paper, stretch film, plastic bag + carton. Our delivery time is 1 and we accept a variety of payment terms. With a supply ability of 1000000 Piece/Pieces per Month, we're confident we can meet your needs.

Our CNC machined parts are available in custom sizes, and undergo 100% inspection before shipment to ensure the highest quality possible. We offer a variety of surface treatments, including anodizing, plating, painting, etc. Our packaging is available in standard export carton, or we can customize it to meet your specific needs.

Contact us today to learn more about our CNC machined parts and how we can help you with your computerized machining parts needs.

Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure that you get the most out of your purchase. Our team of experts is available to provide guidance and assistance with any technical issues that may arise during installation or operation. We also offer customization and design services to meet your specific needs and help you achieve optimal performance. In addition, we provide maintenance and repair services to keep your CNC machined parts in top condition, extending their lifespan and reducing downtime. With our commitment to quality and customer satisfaction, you can trust us to provide the support and services you need to succeed.

Packing and Shipping:

Product Packaging:

All CNC machined parts will be carefully packaged in sturdy boxes to ensure safe delivery.

Shipping:

We offer worldwide shipping through our trusted shipping partners. Shipping rates may vary depending on the destination and weight of the package. Shipping times may also vary depending on the destination.

FAQ:

Q: What is the brand name of this CNC Machined Parts?

A: The brand name of this product is yuanwenyu.

Q: What are the model numbers available for this product?

A: The available model numbers for this product are 1X893 and OEM.

Q: Where is this CNC Machined Parts manufactured?

A: This product is manufactured in Guangdong, China.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity for this product is 50 pieces.

Q: What is the price range for this product?

A: The price range for this product is between \$2.35 to \$12.68 per piece.

Q: What are the packaging and delivery details for this product?

A: The packaging details include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag +Carton. The delivery time and payment terms will be provided upon placing the order. The supply ability of this product is 1000000 Piece/Pieces per Month.
